GOOD TO KNOW

Venues.

The right venue is critical to a successful birthday. TARKA parties work best somewhere roomy, church or community halls, sports halls, large private restaurant rooms, parks, or private garden squares. The more children you invite, the larger the venue you need.

If this sounds complicated, let us take over and book the venues for you. Trust us, they can be slow to come back. Relax, and we'll do the chasing.

WE CAN SEND OUR LIST OF TARKA-RECOMMENDED VENUES
